

Fall Course Offering

RIT's Civil Engineering Technology program, within the College of Engineering Technology is now offering a Fundamentals of Engineering (FE) Civil Exam Review Course for the civil engineering professionals. Passing the FE exam is the first step in the process leading to the Professional Engineers (PE) license. All eighteen (18) different exam topics will be covered.

- ✚ Starts on September 3rd with last day of class is on 13th of December 2019.
- ✚ Hands-on Problem solving in every class with some theory but mostly based on *FE Reference Handbook* from NCEES.
- ✚ Over 100 hours of intensive in-person teaching and practicing to ensure that the attendees fully grasp all the topics.
- ✚ A very fast-paced course with 15 weeks of evening classes (**No class on November 29th 2019 for Thanksgiving**).
- ✚ Extra materials similar to class problems will be provided for individual practice to build confidence.
- ✚ Fee for the review is set to be \$1250.
- ✚ **Group discount:** For a group of 5 or more will receive a discount of \$200 per person.
- ✚ **Guarantee of passing:** Students will sit for four full scale 6 hours mock tests during weekends at the end of 15 weeks of classes (**14th, 15th, 21st and 22nd of December 2019 from 10 am to 4 pm**). **If the student receives 85% or more in mock tests but does not pass the FE, will be allowed to attend the next course absolutely free.**
- ✚ **Class meeting time:** Tuesday from 5:30 pm to 9:00 pm and Friday from 5:30 pm to 9:00 pm.
- ✚ **Registration deadline is Friday August 30th.**
- ✚ **All classes will be held on the RIT campus.**
